

## KINOLAB PROJECTS

Self-Assessment Rubric for Group Presentation

<b>Note:</b> Calculate the score by multiplying the level number by the number in parentheses under the category name. For example, if the performance matches <b>Level 3</b> for Completing my tasks, the score is 3 x 2 or <b>6</b> . Put <b>6</b> in the <b>Score column</b> in the <b>Completing my tasks row</b> , then, add it to the other points for a total.						
Topic ↓	How did I do? ⇒	Level 1: Beginning	Level 2: Developing	Level 3: Accomplished	Level 4: Exemplary	My Score
<b>Researching and collecting information</b> (x 3)		I did not collect any information related to the topic.	I collected some information, but only a small portion of it was useful for the topic.	I collected some information, but not all of it was related to the topic.	I collected a lot of good information for my part of the topic.	12 points possible
<b>Sharing information</b> (x 1)		I did not share any information with my group.	I shared a little bit of information with my group.	I shared some useful information with my group.	I shared lots of useful information with my team.	4 points possible
<b>Participating in the tasks</b> (x 3)		I did not participate in any of the tasks or assignments.	I participated less than half the time on any tasks or assignments.	I participated on more than half, but not all the tasks and assignments.	I participated in all the tasks and assignments.	12 points possible
<b>Completing my tasks</b> (x 2)		I did not complete any of the tasks assigned to me.	I completed fewer than half the tasks assigned to me.	I completed more than half, but not all, the tasks assigned to me.	I completed all of the tasks assigned to me.	8 points possible
<b>Listening to other members of the group</b> (x 2)		I did not listen to other members of the group; I did things my own way.	I did not listen to other group members' ideas or suggestions very often.	I listened to other group members' ideas and suggestions nearly all the time.	I listened to other group members' ideas and suggestions, and then decided if it would help the project to follow them.	8 points possible
<b>Co-operating with my team</b> (x 2)		I argued with my group members and tried to get them to do things my way.	I sometimes argued with other group members.	I discussed things with other group members and had only a few arguments.	I discussed things with other group members without arguing.	8 points possible
<b>Making fair decisions</b> (x 2)		Having things go my way is the only way a group should work.	In my group, I only worked with my friend.	Sometimes I had the best idea, and sometimes it was someone else.	Our group made fair decisions as much as we could.	8 points possible

Please provide me with a brief description of how your group worked together on your project, especially the degree to which members contributed equally or unequally. Note, this assessment is **confidential** and will not be shared with anybody.
